AMSTRAD 464/664/6128

AMSTRAD

GAME FEATURES

ENEMY IN SIGHT
Using skill and judgement you must plot your fleet's gunfire onto an elusive enemy. You will need to know the measure of your opponent . . . and outguess him!

ATTACK
Fire!! On your command, your guns and bombers roar into action. Stunning battle scene graphics give you, the Commander, an up to the minute picture of the battle as it unfolds.

COMMODORE 64

SPECTRUM

UNDER FIRE
Now your fleet undergoes the nightmare of attack. Besieged by bombers and under fire from enemy guns, outmanoeuvre your opponent's fleet and prepare to counter-attack.
